

WE NEED YOUR HELP!!!

SANTA FUND

The American Legion and American Legion Auxiliary's Christmas Hospital Tour is fast approaching.

As you know, the \$5.00 per patient (\$3.00 from the American Legion, \$2.00 from the American Legion Auxiliary) is provided in its entirety from Unit donations.

At this time, the donations are extremely low and we are asking, as in the past, for your generosity. Any money your Unit can spare for this most worthwhile cause would be appreciated. Please check your budget for any extra help.

The tour will cover 17 VA Hospitals and Pennsylvania State Homes and Hospitals. The tour dates and times will be listed in the Keystone News for your information. If you are interested in attending any of the visitations, please feel free to do so. The hospitalized veterans love the company during the Holiday Season.

Thanks in advance for your donation and support in this yearly project.

Please return the portion below with your donation.
