Subject: National Creative Arts Festival

Each year at the Awareness Assembly in Washington, DC there is a "Parade of Checks" by State. Each Department's representative presents a check to the National President for the Creative Arts program.

Let's have a little fun with this as well as raise a nice sum to be presented from our Department. Sometimes fund raising is difficult, so I am enclosing something to give you a little help. The enclosed flyer that I have made is so that you can have it copied on colored paper of your choice and then cut the pages into fourths. Each part then can be offered for a one-dollar (\$1.00) donation. The person signs his/her name across the middle and you post the flyers on a "wall of honor" for all to see. You can even ask local stores or senior centers to help you with this worthwhile project.

After you gather up your donations, send them to Department marked for the Creative Arts Parade of Checks. Remember – you can also use Poppy funds for this project.

Lets see what we can do together to put Pennsylvania near the top of the list this year and lets all be PENNSYLVANIA PROUD!!

Thank you, for all that you do for our veterans.

May God bless you all, and God bless America.

BJ
