PRESIDENTS PROJECT
2011 - 2012
MARY ELLEN SWITZER
CHAIRMAN

Good Day Members of the American Legion Auxiliary

Once again I am chairman of Presidents Project for the upcoming year. As in the past we will be doing the Chinese Auction, Theme Baskets, large prizes at Presidents and Secretaries Conference in September. I hope each and every Unit and Council will bring a Theme Basket, Gift card or item to be set on the Auction table. If you are unable to bring one or don't wish to be bothered lugging one to the meeting, I will once again be willing to do them for you. I will need you to send a check made out to me MARY ELLEN SWITZER and mail it to 226 Antis Run Rd., Howard, PA 16841 and earmark it PRESIDENTS PROJECT.

We had such a fabulous year this year and would like to do as much or surpass last year, but it will take a lot of planning and work from all our members to make this year a success. Please visit the project room in September to see all the fantastic things our members, units and councils bring.

God Speed to each and every one of you and God Bless our Troops and Veterans, their families and God Bless the USA.
