

Attention All Units and Councils

Our Eastern Division National Chairman of Auxiliary Emergency Fund has prepared a fund raising FUN calendar, to share with you. A copy of her FUN calendar is enclosed. This calendar may be reproduced, **if you wish**, so your members may have a copy. Or perhaps you could make a similar calendar of your own design, as a Fun way to raise some much needed funds for this very important program

**Members Helping Members
Through the
Auxiliary Emergency Fund**

It has come to my attention that, just in the last year, members from the Department of Pennsylvania received over \$8,000. from the Auxiliary Emergency Fund. Pennsylvania has not been sending nearly that much to this fund. Surely, it is time we helped raise funds to keep this fund strong enough to assist with the needs of our own members.

Are your Members willing to raise funds for this program, whose purpose is to **Help other Auxiliary Members in those situations where no other Help is available?** I feel sure that we will all put our Hearts and Hands into this endeavor. Let's make Pennsylvania Proud of our AEF donation total.

Thank You for all your effort to HELP.

Helen A. Cole, AEF Chairman

OVER

Auxiliary Emergency Fund- Fund Raising Fun
