

AEF IN ACTION

"I cannot tell you what a blessing it was to open the mailbox and find your letter. It's going to be a very long time before I can work again but at least I have a home to stay in. Thank you, thank you, thank you."

—Auxiliary Member, Vermont

"Thank you so much for the temporary assistance from AEF. Never in a million years did I imagine that I would be in need of asking for assistance."

However, during a family vacation celebrating my brother's safe return from Afghanistan, my house burned down. Everything was lost, or so I was told. When I went to thank the police department for their efforts, the chief brought out a box of "stuff" they saved for us. In that box was the flag my brother flew over Iraq for us. It was a moment that reminded us that no matter what our situation may be, we are blessed to live in the land of the free and home of the brave. Once again, thank you."

—Auxiliary Member, Colorado

Dennis Conner, U.S. Army Reserve, was deployed at the time his 7-year-old daughter, Kayleigh, suffered a stroke. She later suffered another. Maggie Conner took six weeks' unpaid leave from work to be with Kayleigh at the hospital. With mounting hospital bills, the family was having trouble making mortgage payments when they applied for an AEF grant.

"Our family wanted to say thank you very much for the grant money you gave us. This program helps families like ours more than you will ever know." —Dennis, Maggie, Kendryck and Kayleigh Conner.

Thanks to AEF, Kayleigh was able to celebrate her 8th birthday at home."

AUXILIARY EMERGENCY FUND

The Auxiliary Emergency Fund (AEF) is a national grant assistance program that provides temporary emergency help to eligible members of the American Legion Auxiliary who have suffered a significant financial setback as the result of an act of nature or other personal crisis.

The AEF was established in 1969 with a bequest from the estate of Auxiliary member Helen Colby Small of Burlington, Wisconsin. It continues today solely through generous donations from Auxiliary members.

WHO IS ELIGIBLE?

Members of the American Legion Auxiliary whose dues are current and who have maintained membership for three consecutive years (the current year and immediate past two years) are eligible to apply in the wake of a financial crisis. Temporary assistance may be considered when:

- ★ A natural disaster or weather emergency leaves a member without shelter or food.
- ★ A financial crisis hits, leaving a member without resources for shelter, food or utilities, and no other source of aid is readily available.
- ★ In extreme circumstances, educational training is needed by a member lacking the necessary skills for employment.

In the case of a natural disaster, an expedited application can be found on our website. The completed application can be submitted directly to ALA National Headquarters.

APPLICATION PROCESS

Members may request an application by contacting their unit or department headquarters and must submit their completed applications to an officer of the ALA unit to which the member belongs. The unit president, secretary, and investigator will complete the unit portion and forward the application to the department secretary. After verifying the member's eligibility, the department secretary will submit the application to National Headquarters for consideration by the AEF Grant Committee. Applications are reviewed by the national AEF case manager. The national AEF Grant Committee, which consists of representatives from the headquarters of the American Legion Auxiliary and The American Legion, meets to review each application and awards AEF assistance according to case findings. The AEF maintains the confidentiality of all applicants. AEF applications, supporting documents and case files are not disclosed or released to anyone outside the AEF Grant Committee.

ASSISTANCE INFORMATION

Emergency assistance grants may be awarded by the AEF Grant Committee on a case-by-case basis up to a maximum of \$2,400. Grant funds may be used only for emergency shelter, food or utilities. AEF funds may not be used for medical expenses or debt such as that on credit cards.

To ensure the integrity of the program, the national AEF Grant Committee directs payments to a provider such as a mortgage or utility company.

Educational grant payments are directed to the educational institution.
